Dear Mr. Chase:

On April 25, 2005, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Vutek, Inc., d/b/a Inkware, LLC ("Inkware"). The purpose of the inspection was to determine Inkware's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Inkware was issued Letter of Deficiency No. WMD 05-016 ("LOD"). Based upon a review of Inkware's submittals, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Inkware's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Linda Birmingham or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,

John J. Duclos, Administrator
